Conditions

1. **Patient Transfers:** In consultation with *your* attending *physician*, the *insurer* reserves the right to transfer *you* to another *hospital* or to return *you* to *your* province or territory of residence. *Your* refusal to comply will release the *insurer* of any liability for expenses incurred after the proposed transfer date.
2. **False Claims:** If *you* make any claim knowing it to be false or fraudulent in any respect, coverage under this Certificate of Insurance shall cease and there shall be no payment of any claim made under this Certificate of Insurance.
3. **Subrogation:** In the event of a payment under this Certificate of Insurance, the *insurer* has the right to proceed in *your* name against third parties who may be responsible for giving rise to a claim under this insurance. The *insurer* has full rights of subrogation. *You* will execute and deliver such documents, and fully cooperate with the *insurer*, so as to allow the *insurer* to fully assert their right to subrogation. *You* will not do anything after the loss to prejudice such rights.

GENERAL PROVISIONS

Coordination of Benefits: The coverage provided herein is supplemental in that it pays for covered expenses in excess of *your* government health insurance plan and any other insurance plan. Benefits payable under any other insurance plan under which *you* may have coverage will be coordinated in accordance with the current guidelines issued by the Canadian Life & Health Insurance Association. Payment under the insurance and any other plan shall not exceed 100% of the eligible charges incurred. This insurance also allows the *insurer* to receive in *your* name, and endorse and negotiate on *your* behalf, these eligible payments. When government health insurance plan and other insurance payments have been made, this releases the government health insurance plan and the other insurers from any further liability in respect of that eligible claim.

Currency: All amounts stated in the Certificate of Insurance are in Canadian currency unless otherwise indicated. If *you* have paid a covered expense, *you* will be reimbursed in Canadian currency at the prevailing rate of exchange on the date the service was provided.

Payment of Benefits: Benefits payable under this Certificate of Insurance will be paid within 60 days of receipt of satisfactory proof of loss. Payment made in good faith will discharge the *insurer* to the extent of this claim.

Contract: The Policy, this Certificate, and the travel itinerary when issued and any amendment to the contract agreed on in writing after this Certificate is issued, constitute the entire contract, and no agent has the authority to change the contract or waive any of its provisions.

Waiver: The *insurer* shall be deemed not to have waived any condition of this contract, either in whole or in part, unless the waiver is clearly expressed in writing signed by the *insurer*.

Governing Law: The benefits, terms and conditions of this Certificate of Insurance shall be governed by the insurance laws of the province or territory in Canada where *you* normally reside.

Copy of Application: The *insurer* shall, upon request, furnish *you* or a claimant under the contract a copy of the application.

Material Facts: No statement made by *you* or a person insured at the time of application for the contract shall be used in defence of a claim under or to avoid the contract unless it is contained in the application or any other written statements or answers furnished as evidence of insurability.

Insurer to Furnish Forms for Proof of Claim: Claims forms are available by contacting Allianz Global Assistance's Claims Department and shall be furnished to **you** upon request, and no later than 15 days after receiving notice of claim.

Rights of Examination: The claimant shall provide the **insurer** with the opportunity to examine **you** when and so often as it reasonably requires while a claim is pending. In the case of **your** death, the **insurer** may require an autopsy, subject to any laws of the applicable jurisdiction relating to autopsies. The **insurer** shall bear the costs of any examination or autopsy and shall provide copies of the reports of any examination or autopsy to the insured or the insured's representative.

Sanctions: There is no coverage for any business or activity to the extent that would violate any applicable national economic or trade Sanction law or regulations.

Conflict with Laws: Any provision of this Certificate of Insurance, which is in conflict with any federal, provincial or territorial law of **your** place of residence, is hereby amended to conform to the minimum requirements of that law.

Legal Action: Every action or proceeding against an insurer for the recovery of insurance money payable under the contract is absolutely barred unless commenced within the time set out in the *Insurance Act* (for actions or proceedings governed by the laws of Alberta and British Columbia), *The Insurance Act* (for actions or proceedings governed by the laws of Manitoba), the *Limitations Act, 2002* (for actions or proceedings governed by the laws of Ontario), *The Limitations Act* (for actions or proceedings governed by the laws of Saskatchewan) or other applicable legislation.
